

KIRKWALL GRAMMAR SCHOOL

ENRICHMENT FUND

AIMS OF THE FUND

The Enrichment Fund was formally launched on 24 January 1994 by our MSP Jim Wallace.

Kirkwall Grammar School staff have a well established reputation for providing a very wide range of opportunities for young people attending the school. The Enrichment Fund aims to recognise the impressive level of commitment shown by staff by helping to provide resources towards these activities, and making them affordable to pupils.

HOW HAS THE FUND BEEN USED?

Many individual pupils and school groups have benefited from the fund. Activities supported include:

- School trips to Canada, Italy, Barcelona and many more.
- Music and Drama activities.
- Sporting activities including Rugby, Volleyball, Octopush and Athletics.
- Biology Field Trips.

The support for sporting activities has included grants towards participation in national competitions.
