

1 All Pupils – Holocaust Memorial Day

Holocaust Memorial Day is held every year on the 27th of January, where we take the time to pay respect to the millions of innocent people who have died in genocides. This year's theme is on the power of words. We hope to create a collage on this theme and display it in the foyer of the school. If you could please spare five minutes to answer these questions:

1. How can words impact positively?
2. How can words be used negatively?

The questions can be found on survey monkey. The link is on the KGS homepage.

All responses are completely anonymous and may be used for the collage. We appreciate your contributions.
