If there are any absentees please keep them aside and issue to pupils on their return.

**1 All Pupils – After School Volleyball**

After schools volleyball will start again on this Tuesday 22 January 3.45–4.45pm in the Games Hall. This term we will be running two weeks of training and then starting a S1-3 & S4-6 4v4 Tournament. Enter your own teams! Please give your teams into the PE Department. If you don't have a team, give your name to the PE staff and you will be allocated a team. Tournament will run until Easter and there will be prizes to the winners.

**2 CyberFirst Girls – Competition**

Happy Robert Burns day S2 CyberFirst girls, don't forget the competition closes on Monday at midday. That gives you Friday to get yourself organised, use the business rooms during break and lunchtimes if necessary. You can also work on the competition after school on Friday, at home, or meet up with friends over the weekend. On Monday you will get to use the peedie break but the competition will have closed before lunchtime break. The scoring system is a little tricky as there are 4 areas to achieve in. We have 5 teams currently battling first place in the school. 1st and 2nd position scores are very close at 44 & 34, 3rd place and 4th place scores are 24 and 29, sounds wrong doesn't it? but the 4th team have spread there points evenly across all areas so are loosing to 3rd place with less points. 5th place needs a boost scoring just 6! Cyptography is currently our most popular topic. C'mon girls, a last push this weekend could take your team into the lead!

As Robert Burns would say, "may the best Lassies win"
