

**1 S5 Pupils – Law Applicants**

Any S5 pupils who may be considering applying for Law next year, please see your Guidance teacher for information on the Reach Programme and Aberdeen Law Project. This project aims to support Law applicants through a mentoring programme run by Aberdeen University.

Guidance Department

P1 2F2 – Wk 2            P2 3F1 – Wk 2            P3 Mark Slater            P4 Grace McGregor  
P5 Jade Kerr            P6 Drop-in

Ms K Liddle

**5 S5 and S6 pupils!**

There are spaces for around 15–20 S5 or 6 pupils at the 2018 **“Growing Up in Orkney” Conference** this Friday February 9<sup>th</sup> 2018. The Conference takes place at KGS.

Last February 2017 around 120 people who work directly with children and young people came together to explore the 3 themes set out in Orkney's Integrated Children's Services Plan – wellbeing, relationships and poverty/disadvantage. The ideas generated were incorporated into the plan and, one year on, they are coming together again to take forward actions within the plan and to review progress. In particular they will be asking for your thoughts and ideas as they develop our approach towards **minimising the impact of child poverty and disadvantage in Orkney**.

The organisers warmly invite S5 and 6 pupils to participate, along with the adult attendees. There are fascinating key note speeches and workshops to attend. This is open to any S5/6 pupil, but those of you who are intending to have careers in **health, education and social care** might find it particularly interesting and useful.

Please look at the hand-out about the conference in the registration folder, and give your names to your Guidance teacher or to Ms Devlin **as soon as possible** (by Wednesday) if you would like to attend.

Ms J Devlin
