8 All Pupils - S1-6 Dress Down Day/Wear your favourite football shirt day 14/09

The 2018-19 season is about to start and we would like to request your help. We have two teams this year and they are both likely to have to go and play games on the Mainland. We are relentlessly trying to raise funds to make trips more affordable for our players and therefore not to have to leave anyone behind. We would like you to show your support on Friday by wearing your favourite football shirt or by just dressing down for the day. You will only have to pay ONE pound for the privilege. You will be asked to put your pound in an envelope that will be collected by one of our football boys at the end of registration. If you don't have any change on the day, do not worry, as we are willing to accept £5 or £10 notes!
