**6 S2 Pupils – S2 Outdoor Education Programme**

Those pupils who are taking part in the Outdoor Education Programme will need to go to their registration classes as usual, even on their allocated days.

On your allocated days, you have to gather in the library straight after registration with your kit.

If you are not sure when your allocated days are, you can check outside the guidance room noticeboard, where you can find the most updated version of the lists.

Please do not forget to submit your Youth Award Registration form that are signed by your parents/guardians – you can either drop them off at the office, or you can bring them along to G036.

Any issues, please let me know. Thank you.

**7 All Pupils – Stationery and Old Tech donations**

Please donate your spare stationery (pencils, pens, rubbers, rulers) and old tech (phones, iPads, laptops, tablets) to the boxes around the school, so that we can send them to the school we are partnered with in Pakistan. The educational materials and tech will help the children from poorer families to go to school.
