Higher History Learning Fun!

The USA
States and Capitals

Task
Work in pairs if you like

Website

http://www.sheppardsoftware.com/web_games.htm

- Find out the names of a) the 50 US States and b) their Capitals.
- Do the tutorials first, then try to do the game.
- Work your way through from Learner to Expert!!!! Unless you can start at the higher Level!
- You can use the blank map to record information.

Task 2
Place the States in their proper geographical location!!

If you are feeling confident already, try this site:
