

1 All Pupils - Your Chance to bring Food Choice Change at KGS!

Due to Food and Drink Standards being changed in Secondary and Primary Schools, KGS Canteen will be reducing the amount of Red and Processed Meat products that will be available for pupils to purchase throughout the school week.

The School Canteen would like to offer KGS pupils in S1 to S6 the opportunity to come up with a range of alternative products that could be sold as an alternative to the current Red and Processed Meat Products.

The new Food Products available will only be able to contain Chicken, Fish or a Vegetarian filling.

The new products will be made in the form of the Traditional Wrap or Toasted Sandwich (Toasty!).

Each Pupil is asked to complete the Survey which can be accessed through the KGS School Website and suggest 2 new fillings for the Wrap and for the Toasty which will contain only Chicken, Fish or Vegetarian option, plus any additional ingredients e.g. Vegetables – peppers, onions, Spices – Chilli, Paprika etc.
