**7 All Pupils - Match the Miles challenge**

Kirkwall Grammar School will be participating in the Match the Miles Challenge. Every year Adventure Syndicate directors Lee Craigie and Jenny Graham ride south in a straight line for five days and encourage schools, workplaces and individuals to **Match the Miles**. This year, between **13th and 17th of May 2019** they'll be riding 500 off-road miles, from Cape Wrath (the most west northerly point in the UK) to the English border. If you want to support the school in this challenge we would ask pupils to log the distances they have walked, run, cycled etc and give this data to the PE Dept at the end of each day of that week. Distances should be recorded in miles and note that any distances that are walked/ran can be doubled. If you want more information on this please come to a brief meeting in the games hall on Friday 10th of May at break time.
