**2 All Pupils - Pages of the Sand - 11 November Event**

Danny Boyle with the National Theatre of Scotland have asked us to participate in the Pages in the Sand event on 11 November. The idea behind it is to create images of WW1 fallen soldiers scraped into the sand. Stories of WW1 will be shared and a poem will be recited. Only twelve beaches in the UK are involved so it's pretty exciting! Could all staff and pupils interested please attend a meeting in F008 **TODAY** at break time. If you can't attend just let me know. This is for the **WHOLE** school community.

**8 S1-S3 Pupils - Activities Days**

Activities Days are days in May or June when there are no normal classes and all pupils take part in a range of activities in and out of the school.

We would like to know what activities you would like. On Friday S1-3 will be given a form to fill in during registration. It will ask which kinds of activities you would prefer. It will also ask you to suggest particular activities you would like. Remember, if you ask for something expensive, you will have to pay for it!

We would like you to think about this between now and Friday morning so that you have ideas ready when you get the form. This is your chance to ask for activities you want. We can't guarantee to make them happen, but we will do what we can.
