7 All Pupils – Green For Grenfell – Friday 15th June

It is almost a year since the tragedy of the Grenfell Tower fire in London. This was a night when many people lost their lives and suffered the anguish of losing loved ones, neighbours and their homes.

Grenfell United and others have asked for Government support to promote their plans for 'one year on' across the country. Green has been adopted by the community as the colour that marks both the tragedy and community response. This Friday KGS is going to take part in 'Green for Grenfell Day'. In the days and months following the tragedy the Grenfell community came together in a great show of unity and support in the days after the fire, and an enormous amount of support poured in from across the whole of the UK.

We would encourage you to wear something green to school this Friday to commemorate the day and to celebrate the spirit of people coming together, which folk in Orkney often do during times of need. It could simply be a t-shirt or a tie or a pair of green socks – the choice is yours.

11 All Pupils - DofE

We are having an amnesty of Duke of Edinburgh kit leading up to the summer holidays. If you have any kit lying around at home that you maybe forgot to bring back there will be a box in the CS Staff Room (the room down from Guidance) for you to put it in. There will be no issues made about you returning it, even if it has been a good few years since you did your award!

Remember it is really important that other pupils have the same opportunities and equipment that you did when you first started your award.
