2 All Pupils – RSPB Volunteering

Are you age 14 and over, are you interested in some work experience in July this summer? Are you an outdoors sort of person? Then this might be for you! The RSPB are offering pupils the opportunity to get some experience in working in some of the Mainland Bird Reserves, with the possibility of going out to an island too! Spending time with the Bird Warden, doing some bird counting and generally learning lots whilst having fun will all be part of the package. If you are interested, please let your Guidance Teacher know.
