Think you know your capital cities? Do you want to be part of a geography team and compete against other schools? KGS needs a team, which will be made up of three pupils, one each from S1, S2 and S3, to take part in the Scottish Association of Geography Teachers WorldWide Quiz. Due to the success of last year's team we already have a space in the national final, and this will involve a trip south; however, this will only be able to go ahead if we have a full team!
