

1 All Pupils – IMPORTANT NOTICE!

Once again we have had complaints from the residents of the Papdale Housing Estate who are very unhappy at the poor language being used and the amount of litter left by KGS pupils going to and from the Papdale Shop. All pupils who visit the shop must please remember that you represent the school at all times and good relations with the residents are hugely important. Please do not drop litter and be mindful of the language you are using.

7 S4 Pupils – University of St Andrews Summer School

University of St Andrews will be running a four-day residential summer school for current S4 pupils on Sunday 10 June to Wednesday 13 June 2018.

This residential programme is intended to give pupils an insight into university life while inspiring them to remain dedicated at school and aim for high achievement in their S5 year and beyond. The programme will include a number of academic taster sessions as well as workshops designed to equip pupils with the necessary skills to progress successfully into Higher Education.

Applicants should meet at least one of the following criteria:

- The first generation in their family to attend university.
- Attend schools with a low progression of pupils going to higher education
- Come from neighbourhoods with low overall progression rates to higher education or levels of socio economic deprivation
- Are (or have been) looked after, accommodated or in care
- Are young carers
- Have engaged with Reach Project Scotland, Aspire North or Focus West

Please see Mrs Balfour before the end of term for more information and an application form.
