**2 All Pupils - The Phileus Fogg Club**

The Phileus Fogg Club is traveling to Norway. This Wednesday we will be learning fun and wacky facts about Norway, which will be a real "Ka-hoot" if you excuse the pun.

Next Wednesday Mr Mowatt, a retired KGS Head teacher of Science for many years, Orkney tour guide blue badge holder and speaker of German, Norwegian and French will visit us to teach us some Norwegian and also to talk about Norway and his experience as an Orkney tour guide.

Come and join us on our travels around Norway in room S007 Wednesday lunchtimes 1.20-1.50pm.

**4 All Pupils - Holocaust Memorial**

73 years ago on the 27 January, the notorious concentration camp, Auschwitz was liberated by the Russian army. It is estimated that over a million people were murdered in that camp alone. We therefore use the 27 January not only to remember the victims of the Holocaust but the millions who have died from subsequent genocides. Please take some time to look at the Holocaust memorial placed in the school foyer. It would not have been possible without the contributions of KGS pupils, so I thank you all.
