

GROUP TUTORS

Included in your registers today is the 'Hands Up Scotland Survey' which you should complete this morning with your Tutor Group.

- Please count the number of pupils present in your class, and then asks pupils the key question on the survey form '**How do you normally travel to school?**'
- The question and answer options should be read through once before asking pupils to respond. Answer options should be read in the order in which they appear.
- Pupils then respond by putting their hands up. If a pupil is absent on the day of the survey, they should not be included in the survey results at a later date.
- Please return completed forms in your register folder.
