6 S3 Pupils - Health and Wellbeing Photography Short course

The previous group of S3 photography pupils currently have their work on display on the top floor in the Art Department break out area. The pupils were tasked with photographing scenes personal to them for their theme of 'People and Places'. As well as developing and refining their photography skills, the pupils have also been working on their communication, organisation and IT skills. The pupils were encouraged to reflect on their work and make effective choices, each choosing two of their own photographs to exhibit.
