5 All Pupils – Opportunity to become a Lifeguard

Lifeguarding is a great opportunity to start & gain experience in a sport and leisure environment. It also allows great flexibility in hours, work as and when you desire. This qualification is also internationally used in America and Australia. So if you are thinking of going to Camp America during your summer break then this can help give you a head start into being accepted. Starting on Sunday 03 September there will be a lifeguard course. Look on the Pickaquoy facebook or website page for details, or look out for the posters around school. You can also contact Amanda Spence for more information or to say that you are interested in taking part.
