

Parent / Carer Update

Today's Update	Key upcoming dates
<ul style="list-style-type: none">Safe Drive, Stay Alive (S5)	Tues 17 th Sept: Safe Drive Stay Alive (S5) Thurs 19 th Sept: Safe Islander (S1) Mon 23 rd Sept: Parent Council AGM Wed 2 nd Oct: Careers Fair (S4/5/6) Thurs 3 rd Oct: Parents' Evening (S1)

Dear Parents and Carers

Thank you for your continued support last week.

We were really pleased with how many parents and carers were able to complete our Learning and Teaching questionnaire, thank you. This feedback, along with feedback from pupils and staff, will help to shape the focus of our work this year. We look forward to updating you all very soon.

Last week's assemblies were led by a former pupil, Iain Pretswell, who talked to pupils about how they can have their voice heard and shape their community, and this week's assemblies will be led by our S6 House Captains.

We loved welcoming the Science Festival to KGS and we hope you enjoyed seeing some of the very special photos on our social media. We couldn't resist copying a few below! ☺

This week is another busy one with the Safe Islander event on Thursday (for our S1) and the Safe Drive, Stay Alive event on Tuesday (for our S5). Parents should've received information about the S5 event directly, but we've uploaded information to the homepage of our website too: <https://www.kgsorkney.com/>

A quick reminder that our Parent Council AGM is on Monday 23rd September. If you'd like to talk to our chair, you can email: parent.council@glow.orkneyschools.org.uk

We hope you have a fantastic week,

Miss Claire Meakin (Head Teacher) claire.Meakin@glow.orkneyschools.org.uk
