**To the pupils of Kirkwall Grammar School.**

Easter Holiday.

KGS will be on holiday for the next two weeks and it's important that all staff and pupils make sure they get a real break from work. The last couple of weeks have been very difficult for everyone and I am very proud of the way in which you have met the challenges as well as the way you have engaged and adapted to your virtual learning at home.

This Easter holiday will be a different and challenging experience for us all in that we are in lockdown and cannot travel to different places. Even though you will still be at home it is important that you take a break from school work and spend time away from a screen.

On your behalf I would like to thank your teachers and your parents for all their encouragement and help to ensure you have all the necessary learning resources and support.

With best wishes for a safe and restful holiday.
