Annual Consent for Extended School Boundary

Dear Parent/Guardian

In order to provide a varied, stimulating and safe learning experience for pupils in Kirkwall Grammar School sometimes travel and participation in routine trips and activities within Kirkwall is required. The Extended Boundary Area will assist in this by allowing class teachers the flexibility to facilitate pupils in learning in the outdoor environment.

Attached is a list of possible/example activities, locations or journeys and an outline map of the Extended School Boundary Area.

Receipt of this letter, list of activities and map will imply that you give permission for your child/children to take part in activities within the Extended School Boundary Area for the school year 2019-20.

Any parents/guardians who do **not** wish to give permission for their child to take part in activities within the Extended School Boundary Area **must indicate this in writing to us within 7 days of receipt of this letter.**

Please also ensure that you let us know of any updates to medical information and/or contact details so as our records can be amended and also if you do not wish for your child to appear in photographs published by KGS.

If you have any further questions please do not hesitate to contact me.

Yours faithfully

Mr D Hawkins
