Drew Hourston

Annabella Daintith

Cameron McPhail

Rebekkah Firth

Evie Allison

Mrs M Firth

**4 S2 Girls! - CyberFirst Girls Competition**

CyberFirst is a fun challenge with other likeminded girls to give you a taster into the world of cyber security. The challenge is made by GCHQ, the UK equivalent of the CIA/FBI/NSA, they make up the intelligence and security agencies that provide signals intelligence to our UK government, all very much like a James Bond movie.

Not sure? Questions? Please come along to F079 and speak to Mr Soames about the challenge. We all start on the 13th of January and the challenge runs for 9 days, there are prizes to be won, not to mention the glory of being declared the winners! Why not try something new and represent KGS in a national competition? After last year's success with the CyberFirst Girls competition, the Business and Computing teachers will be fielding another set of teams for CyberFirst Girls in S2. Your Business Management teachers have already put you into a suggested team but there is time left if you prefer to work as an individual or form your own team! For 2 weeks you will get chance to use lesson time, and if you want more time your team will be given access to room F079 during breaks and lunchtimes to work on the competition, you might even want to get organised outside of school! A letter will be given to your reg teacher to let you know your team within your class. Teachers please play this video: [youtu.be/oQXnbJ\\_Drj0](https://youtu.be/oQXnbJ_Drj0) Good luck and may the best team win!

Mr D Soames

**5 S1 Pupils - S2 Hoy Trip**

There are still 10 spaces left for the Hoy Outdoor education trip in 2020 Aug/Sept please secure your places with £30 - non refundable - deposit at Ms Sandor (CS teacher) by the end of this week - 10.01. 2019.

Please note: We allocate places on a first come first served basis.

Ms I Sandor

**6 S3 pupils - Elective Choices**

Thanks to all the S3 pupils who have chosen their new elective. If anyone does want to change or have still to choose there are still some spaces in the following courses:

Car of the Future, Media, Survival German, Travel & Tourism, Just & Fair Citizens or Electronics

Please see me by the end of school today if you wish to change to any of the above.

Mr N Ewing
