On the last day of term, Friday 11 October, the house points for each house for this term will be revealed. In addition the two pupils in each year who have been awarded the most house points this term, will each receive a KGS Golden Ticket which will entitle them to go straight to the front of the break and lunch queue for a week.

Just a reminder that House Points can be awarded for any positive contribution to school life by pupils. This includes work rate and a positive attitude within classes as well as contribution to KGS through whole school events, such as concerts, sport, coffee mornings etc.
