3 Registration Classes - Door Decorating Competition

This year the house captains would like to invite entries into a decorating door competition with the theme of winter. It will run between Monday the 30th of November until Wednesday the 16th of December, with the judging taking place on the 16th and 17th. The winners will be announced on the last day of term, the 18th. The theme is winter, so it can be anything from Christmas to Weather, from Hanukkah to Solstice, from winter traditions in a specific country to winter sports. It is up to your reg classes to decide.

5 All Pupils - Plea for Lego People

The theme of our Xmas door is "**Hope for an end to social distancing in 2021.**" As part of the decorations, we have put Lego tape on our classroom door, and we would like to fill the door with lots of Lego people who are no longer socially distancing! To do this, we need **lots and lots** of Lego people so are putting out a plea. If you have Lego people at home that you no longer want or need, please can you donate them to our good cause.

Please bring them in as soon as you can and you can come and stick them on the door yourself- room S007 in the Modern Languages Department, or you can hand them into any teacher in the Modern Languages Department. Your help will be greatly appreciated. So please bring in lots of Lego people and help with our wish for an end to social distancing in 2021!
