3 All Pupils - Dyslexia awareness week

Today your tutors have a website to show you. The website is great for help and support if you have dyslexia or if you think you may have dyslexia. There is also a really useful study guide that is helpful for anyone preparing for assessments and exams. <http://unwrapped.dyslexiascotland.org.uk/>

If you would like to talk to someone about your dyslexia or think you may be dyslexic, after finding out more about it, please speak to your guidance teacher, Mrs Beesley in Curriculum Support or any teacher in school

Ms C Beesley

4 S6 Pupils - S6 Mock Interviews

The Rotary Club of Orkney have again offered their services to provide 'mock' interviews for S6 students. Former students have found this to have been a valuable and worthwhile opportunity, and we would like to gather names of folk who would be interested. If you feel this would be beneficial, please fill in the sign-up sheet which can be found in the guidance base. You will need to submit your name, course applied for/area of interest and your study periods. The sign up sheet will be available until Fri Nov 15th, but please don't wait until the last minute to submit your name, as places may be limited.

Mr Maclean

5 S6 Pupils - Higher Geography Textbooks

We are running very low on Higher Geography textbooks. If you did geography last year and you have textbooks at home please bring them in asap to Mrs Hoggan-Nisbet.

Mrs S Hoggan-Nisbet

6 All Pupils - NHS Insight

Pupils who have signed up for next Friday's NHS 'Day In The Life' insight afternoon, should see Mr Maclean ASAP for an information sheet on the event, as well as a map of how to locate the venue. Also, a reminder that the event will take place from 1pm-4pm on Friday 15th Nov.
