

1 All Pupils - Cyber Discovery

Congratulations to Oliver, Michael and James in S3 who were the first to complete all the Cyber Discovery challenges including challenge 14 which was hidden! They beat S4, S5 and S6 to completing all challenges. The competition ends on the last day of the October holidays so it's important for you to set some reminders for over the holidays to complete any outstanding challenges. The next round of challenges begins on Bonfire night but you won't be invited unless you have done well on Assess, 100% completion is not necessary but get as many done as you can.

S2 Pupils - Cereal Boxes

Last call for the few S2s who didn't finish building cereal boxes, pop by today to get them finished at either breaktime or at the end of school.

2 All St Ola Bus pupils - Important Message

As numbers on the Route 37 St Ola bus are now so high, only entitled pupils can go on that bus in the afternoons. Therefore pupils in the Glaitness Road/Soulisquoy area will no longer be able to use it as fare paying passengers. They can still pay to go on the No9 Town Service bus in the mornings but NOT in the afternoon.

3 S5/6 pupils - UCAS Applications

A gentle reminder to those pupils who are applying for UCAS that your draft personal statement needs to be with your Guidance Teacher (paper copy or emailed) by Friday 11 October (last day of term).

If you have any issues or questions, please speak to your Guidance Teacher sooner rather than later! Thanks!
