3 All Pupils - Film Screening 'Tomorrow'

We are delighted to offer all interested KGS pupils (S1-6) a chance to watch the award-winning film, 'Tomorrow' on Thursday 19th December, periods 3-5.

A joyful message of hope for a better, greener and more sustainable future, celebrating grassroots movements from around the world. This award winning film looks at how people around the world are finding ways to deal with climate change. It's uplifting, upbeat, hugely positive, affirming and inspirational, exploring creative and practical solutions in the fields of food, energy, transport, economics and education - building resilience within communities for the sake of our global future. A phenomenon in France and Belgium where it was first released for its impact, it's been adopted by the Transition Towns movement as a practical and positive illustration of the change that is possible in individuals and communities. "Without question, this is absolutely the best and most creative film on the future of humanity and the environment" - Paul Hawken, leading environmentalist and author.

The film is a truly inspiring and positive exploration of what people and communities around the world are doing to combat the effects of climate change and the steps being taken to preserve our planet. All set to a wonderful soundtrack!

If you wish to come along, please sign-up by giving your name to Mr Ewing. This opportunity is on a 'first-come-first-served' basis, so get names in early to avoid missing out.
