**2 All Pupils - Dress down day**

We have been partnering with a secondary school in Pakistan as part of the Connecting Classrooms through Global Learning programme and have been working to help make the Global Goals popular. As part of this partnership, we have chosen to help empower 10 widows in the local community of our partner school in Pakistan to work towards achieving Goals 1 & 10 (No Poverty and Reduced Inequalities). We are having a dress down day this Friday 14 May to raise donations for this project. Please remember to bring £1 on the day to help make the world a fairer and safer place for everyone to live in

**4 All Pupils - Stationery donations**

Please donate your spare stationery (pencils, pens, rubbers, rulers) to the boxes around the school, so that we can send them to the school we are partnered with in Pakistan. The educational materials will help the children from poorer families to go to school.
