9 S2 Pupils - CyberFirst S2 Girls Competition

The competition started Monday midday with some girls raring to go as the challenges went live, some girls even tried changing the computer's clock to fool the system into letting them in, it nearly worked. There is one week left for you to have a go at the challenges and support is available if you're not sure. Rooms are made available in the business corridor during breaks and lunchtime while the competition is running so if you want to work with members of your team on the challenges or individually then take advantage of a quiet place to work.

Good luck and may the best girls team win.

Mr Soames

10 S5 Pupils - Sutton Trust Summer School 28 June to 3 July 2020

The Sutton Trust Summer School at the University of St Andrews is held each year in order to give pupils in S5 the chance to experience a week in the life of a university student. It has been proven that this experience is of great benefit when applying to competitive universities.

The residential week includes study within academic areas of interest, social activities and advice on UCAS related topics. The week is **free of charge** and pupils are only required to bring spending money for their personal use.

Applications are now open, and close on 3 March 2020. If you would like to find out more, please go and see your Guidance Teacher.
