7 All pupils: safety reminder

When you are arriving and leaving school at the end of the day or even during break times and crossing the car park or the road outside the school – PLEASE TAKE CARE AND LOOK BOTH WAYS! If you are chatting to friends or on your mobile phone it is easy to lose concentration – it is very dark and drivers of cars may not see you. A parent has contacted the school to say that they had to break sharply recently. Please take care!
