5 All Pupils - LGBT Inclusion

We have been offered the opportunity to take part in the LGBT Inclusive Education Implementation Group. They are looking for pupil's views on ideas and examples of best practice in their schools that should be highlighted at a national level.

We have places for 2 - 3 pupils

The 3 points that they are looking at are:-

- Good examples of LGBT curricular inclusion and inclusion within the wider school;
- Thoughts on what good practice looks like
- Thoughts on what LGBT inclusion will feel like when the recommendations are delivered.

If you would like to be a part of this project which will involve using Teams to take part in a conference with up to 15 other schools, who will also have between 2 - 3 pupils and a member of staff participating. The online conference will take place on the 26th August.

I will be supporting this piece of work and I will be more than happy to meet up with pupils that are interested, to go through this in more detail. This is your chance to influence an inclusive approach to LGBT at KGS and across Scotland
