## 7 S4-S6 Pupils - North Isles Landscape Partnership Scheme

Oral History of the North Isles

Post: Interviewer

Applications are invited for the posts of interviewers as part of the North Isles Oral History Project. You need to be an excellent communicator and able to establish an effective rapport with the informants in the islands. Although training will be given some experience in undertaking self-directed project work would be an advantage. We are looking for people able to work on their own initiative and able to meet deadlines as required by the project team. There are five interviewer posts available.

Travel costs will be reimbursed, and you will be self-employed so need to cover your own National Health Insurance and be responsible for completing any tax returns in respect of earned income.

The interviewer will be paid up to £ 1000.00 and will be expected to undertake between 15 and 20 interviews. Those recorded interviews will be transcribed by the interviewer.

Applications welcome from pupils aged 16 and over

For further information please contact Dr Tom Rendall by e-mail: [tom.rendall@uhi.ac.uk](mailto:tom.rendall@uhi.ac.uk)
