

1 Can the following pupils come to Guidance at break time today.

Ryan Gunn

Kayden Marcus

Mrs M Broadhurst

2 S3/S4 Core RMPS

I will be offering supported study sessions for students in RMPS wishing to catch up on assessments/complete coursework on Monday, Wednesday and Thursday lunchtimes, and on a Friday at the end of the day. Any students in S3 or S4 RMPS who requires support to complete units is welcome to come along.

Mr P Casey.

3 S2 Outdoor Education Programme

Those pupils who are taking part in the Outdoor Education Programme will need to go to their registration classes as usual, even on their allocated days.

On your allocated days, you have to gather in the library straight after registration with your kit.

If you are not sure when your allocated days are, you can check outside the guidance room noticeboard, where you can find the most updated version of the lists.

Please do not forget to submit your Youth Award Registration form that are signed by your parents/guardians - you can either drop them off at the office, or you can bring them along to G036.

Any issues, please let me know. Thank you.

Ms Sandor

4 All Pupils - Stationery and Old Tech donations

Please donate your spare stationery (pencils, pens, rubbers, rulers) and old tech (phones, iPads, laptops, tablets) to the boxes around the school, so that we can send them to the school we are partnered with in Pakistan. The educational materials and tech will help the children from poorer families to go to school.

S2 (E1, E2, F1)**5 All Registration Classes - National Gardening Week**

From the 26th of May to the 2nd of June, it's National Gardening Week. Throughout 2020 and into 2021, many relied on our gardens and green spaces more than ever, rediscovering the importance of connecting with nature for our mental and physical wellbeing. That's why, for National Gardening Week 2021, we are celebrating the feel-good power of plants and gardens, highlighting the scientific links between gardening and wellbeing.
