

Support for Higher Modern Studies Pupils at KGS

Supported Study

Supported Study sessions will be advertised weekly on the Supported Study board in the Social Subjects Corridor. There will also be Immersion days nearer to the final exam in May, where pupils will be able to spend the whole day with their Modern Studies teacher focussing on studying for the exam.

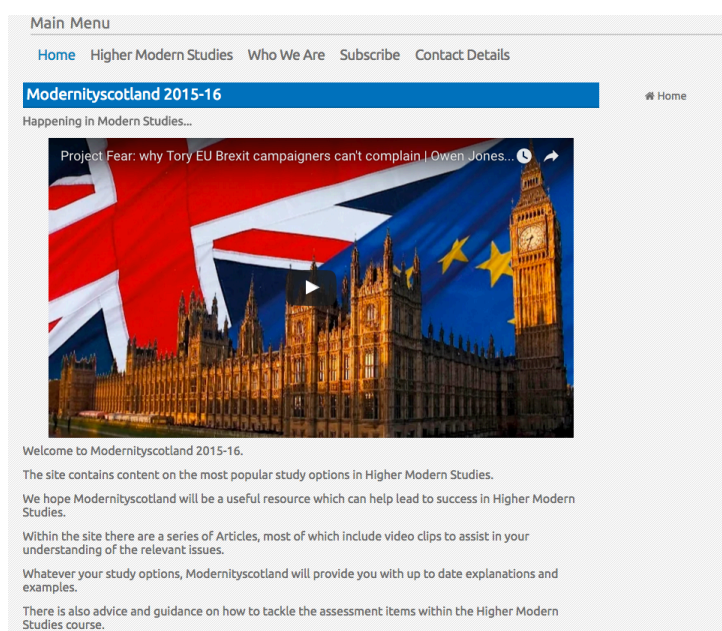

Revision textbooks

There are a number of revision books on the market. Some people prefer to buy a copy for their child in the run up to the exam however; this can be quite expensive if your child is sitting several exams. Therefore we have copies of revision guides in the department, which are available to borrow.

Online Resources

KGS has bought a subscription to Modernityscotland. This is a website which contains up-to-date, course content as well as hints and tips for essay writing and exam technique. It is a very useful tool for students.

www.modernity.scot

Username and Password are available from your Modern Studies teacher

Glow – Many of the revision notes and power points used in class are uploaded to the KGS intranet which pupils access through Glow. Departments – Social Subjects – Modern Studies – Higher/Advanced Higher

BBC Bitesize is also a good online revision tool
